Ahmedabad Medical Association Observes COVID Martyrs Day with Candle Prayer Meeting

Ahmedabad, 30 January 2026:

The Ahmedabad Medical Association (AMA) solemnly observed COVID Martyrs Day today by organising a Candle Prayer Meeting at the Ahmedabad Medical Association Hall, in accordance with the directive of the Indian Medical Association (IMA) Headquarters.

Around 40 doctors remained present and paid heartfelt tribute to fellow doctors who lost their lives while serving patients during the COVID-19 pandemic. The programme was marked by lighting of candles and a moment of silence, remembering the supreme sacrifice made by the medical fraternity during one of the most challenging periods in recent history.

The display of photographs of doctors who succumbed to COVID-19 served as a poignant reminder of the immense human cost borne by the medical community while safeguarding public health.

Addressing the gathering, Dr. Jignesh Shah, President, Ahmedabad Medical Association, stated that the sacrifices of COVID martyrs have permanently etched a chapter of courage, compassion, and commitment in the history of Indian medicine.

Dr. Maulik Sheth, Honorary Secretary, Ahmedabad Medical Association, remarked that observing COVID Martyrs Day is a moral responsibility of the medical fraternity, ensuring that the nation never forgets the selfless service rendered by doctors during the pandemic.

The observance reaffirmed the resolve of the medical community to continue serving society with dedication, empathy, and integrity, while honouring the memory of colleagues who laid down their lives in the line of duty.
